

## Interest Registration Card

As a convenience to Cooperating Agents, you may register your client by providing the completed Interest Registration Card executed by you and your client without having to personally visit the CityCenter Residential Sales Gallery. In all such cases, the Interest Registration Card must be returned to us along with this page, including a photocopy of your client's driver's license or state-issued identification card.

In the event your client does not execute a reservation or purchase and sale contract and provide all required deposits within 30 days after the latter of: (i) the date of this registration or (ii) the initial release of a project by developer, this registration will expire. It is your responsibility to inquire and keep informed as to future project release dates.
