The Circus Circus Hotel Casino meeting and convention facilities are located on the 1st and 2nd floors of the Skyrise Tower, with our Executive Hospitality Suite located on the 14th and 15th floor of the Casino Tower.

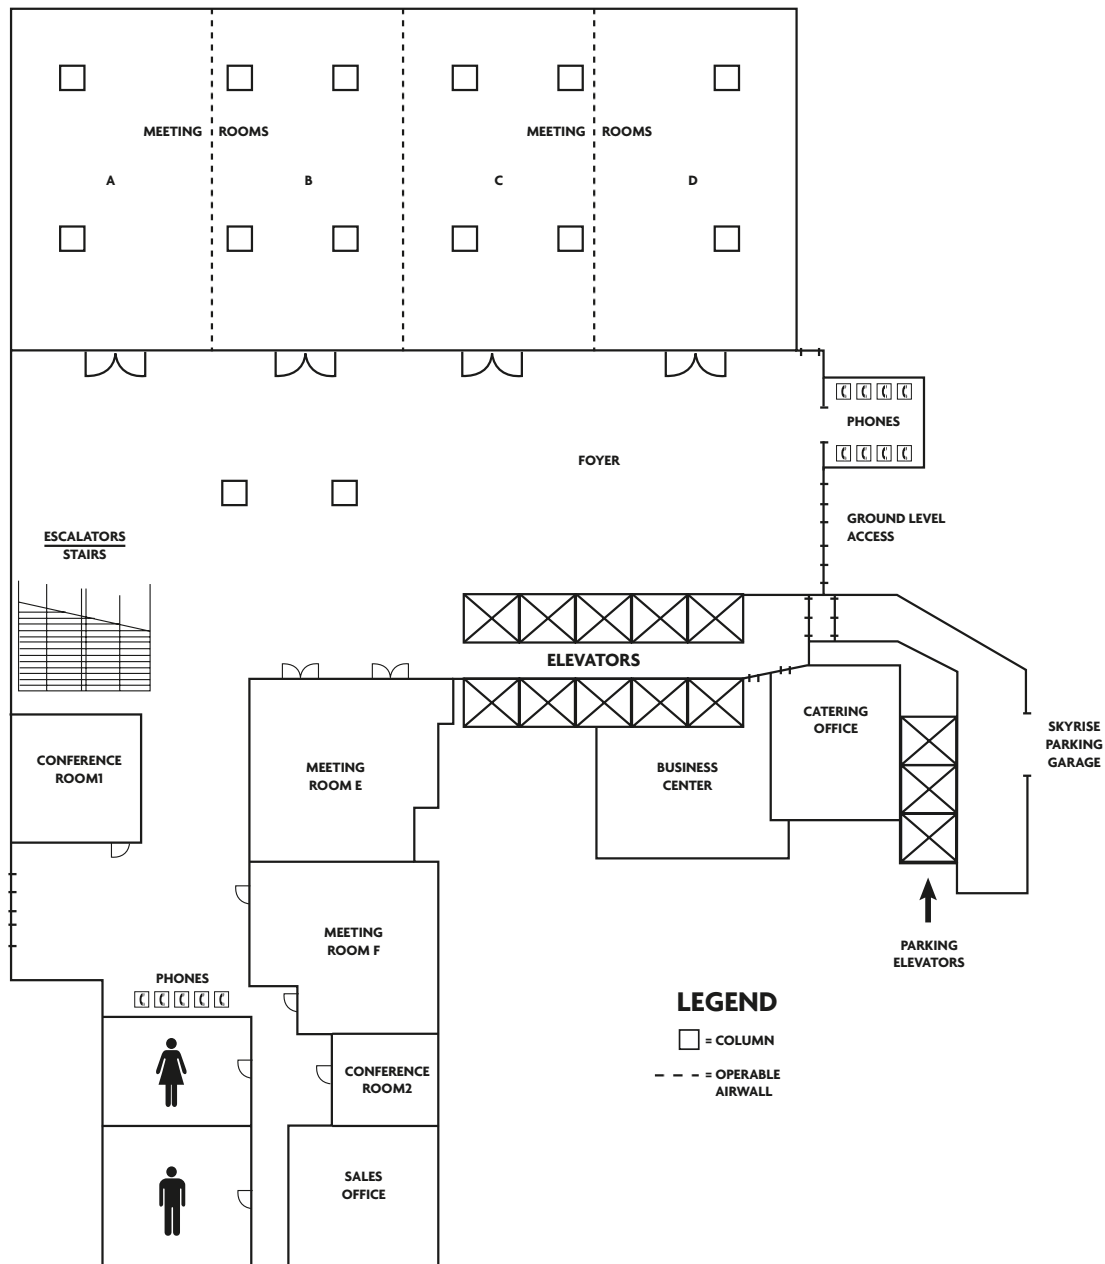

With 21,400 square feet of banquet and meeting facilities, Circus Circus specializes in small to moderate-sized groups. A full-service catering department works with clients to provide the ideal menu for every occasion. With a relatively small catering and convention services staff, event planners receive unsurpassed personal attention resulting in extremely successful events and meetings.

In addition to the convention, meeting and banquet space, Circus Circus also offers a variety of unique event venues including The Adventuredome, our five-acre indoor theme park. The Adventuredome is available for private groups of up to 4,000 people and also features an outdoor deck suitable for groups of up to 500.
