by Cirque du Soleil. It's nothing short of

CAPTIVATING.

A woman with long dark hair, wearing a brown, fringed, mermaid-style costume, is kneeling in the dark blue ocean at night. She is looking upwards with her head tilted back. In the background, a three-masted sailing ship with red sails is on the horizon under a dark, stormy sky with a bright lightning bolt striking down. The scene is set on a rocky coastline with waves crashing against the rocks.

Song. Dance. Danger.
